### Uniform – 2024/25

# Why Uniform?

We value our smart school uniform as it ensures that all our children feel an equal part of our school community and encourages pupils to feel proud to be part of our community.

Wearing a uniform teaches you to be smart and ensures that you are ready to approach your learning with a professional mind-set. Pupils are, therefore, expected to wear the official school uniform whilst they attend our school.

*“The Department strongly encourages schools to have a uniform as it can play a valuable role in contributing to the ethos of a school and setting an appropriate tone.”* – Department for Education

## Cost

When putting together our uniform, we have taken great care in ensuring we have a mixture of plain clothing as well as branded products that are available from more than one retailer to enable you to source the best value.

If your child is eligible for free school meals, we can support with the cost of some uniform should this be needed. Please speak with Miss Poole who will be able to help you further.

We also have an **online pre-loved uniform shop** run by the Oakfield PTA. You can get branded jumpers, cardigans, fleeces and other uniform in used but good condition at a fraction of the cost of new, pay online, and collect your order from Reception within 2 working days.
